--not used	
Page 27 10.6	<p>The site known locally as 'Heli-beds, is situated in the Frome Road, the main entrance to the Village.</p> <p>Presently the site is quite dilapidated and an eyesore in Southwick village.</p> <p>The housing development on this site would help to provide economical housing in the village, allowing homes to be available for Southwick people wishing to stay amongst family members.</p>
Page 28 10.8	<p>The development of this agricultural land, classified as an SSSI, should be evaluated in view of national concerns relating to biodiversity. See Key Issues SNP 10.19.</p> <p>The land off Wesley Lane is a greenfield site outside the village boundary. Consideration should be given in planning to build on this land to the parcel of land already allocated to Trowbridge at Southwick Court.</p> <p>Care should be taken when allocating new build housing. Southwick residents do not always benefit, as shown in respect of the Moland development.</p>
