I am very pleased with the draft NP, as it delivers in most of the areas, which members of the community stressed they were concerned about in doorstep consultations.

They didn't want large scale development in the village and they wanted the village to retain its own identity and not merge with Trowbridge.

Also, impact on wildlife and flood zones were of concern

One thing they also wanted to see tidied-up was the Beds Direct Site, being an eyesore in the centre of the village.

I feel the draft NP tackles all these issues in.
