CPRE BEST KEPT VILLAGE COMPETITION 2022 - WE HAVE ENTERED! BE PROUD OF WHERE YOU LIVE.

Dilton Marsh Parish Council has entered our lovely village into this competition, and we have a chance of winning £200! Initial judging by CPRE will take place in May and June. Judges will look for the absence of litter as well as overall condition and tidiness, including areas for conservation and wildlife. Please do your bit for our village. Contact the Parish Clerk for more information.

BONFIRES - With the advent of better weather please consider your neighbours and avoid lighting bonfires whenever possible. Please remember that they may have washing out, windows open, or just be enjoying their garden.

Please see the advice below from Wiltshire Council on recycling waste which removes the need for bonfires in most instances. The link also offers advice on possible steps you could take if you have a particular problem with bonfires affecting you.
