

Gosford and Water Eaton Parish Council

Local Plan Partial Review (Oxford's Unmet Housing Need)

Please pledge your donation in support of sending legal representation to the Inspectorate

Cherwell District Council submitted the Local Plan Partial Review (Oxford's Unmet Housing Need) to the Secretary of State for Housing, Communities and Local Government for formal examination on Monday 5 March 2018. The government appointed Inspector will now legally scrutinise the plan. This will be the final opportunity for the parish to state our case, via legal representation, and we feel passionately that we should continue to challenge this to the bitter end.

Further to the Parish Council's Spring Newsletter and the Annual Parish Meeting 2018, we are asking for our parishioners to pledge monetary donation. If we are unable to raise the sum of £20,000, which we have been advised will be required, we will not be able to afford legal representation. Should this be the case, your Parish Councillors will be there and will endeavor to deliver a statement from the Parish, based upon that presented to the Cherwell District Council planning meeting.

For more information please visit: <http://www.gosfordandwatereaton-pc.gov.uk>

Please return your pledge by **Thursday 31st May 2018**. Thank you for your support.
