	<p>Congratulations to all those who have worked so diligently and with commitment to securing our 'village life'. They are to be highly commended. This plan provides and encompasses all the immediate requirements of our village and leaves room for future expansion as and when required by the community.</p>
	<p>No solution to how a community develops will be agreed by all - it is for the greater good of all that considered actions are taken. This plan has 'checked' all the boxes in relation to 'eyesores' in the village and given detailed and careful consideration to housing needs, demographics and aesthetic - it is to be commended.</p>
	<p>Let us move forward together, united in keeping our village safe and secure from major, greedy developers who have no consideration for the impact and damage they incur on villages. A HUGE THANK YOU TO ALL WHO HAVE</p>

DEDICATED AND WORKED TIRELESSLY  
TO SECURE OUR VILLAGES' FUTURE.
